

CHF Solutions, Inc. Expands European Distribution with New Agreement in Italy

April 17, 2018

EDEN PRAIRIE, Minn., April 17, 2018 (GLOBE NEWSWIRE) -- CHF Solutions, Inc. (Nasdaq:CHFS) announced today further expansion into the European markets with the initiation of a new distribution agreement with TRX Italy, S.r.l. to distribute the company's Aquadex FlexFlow System in Italy.

"According to the World Health Organization there are more than twice as many acute decompensated heart failure patients in Western Europe than in the United States as result of a larger and older population base, along with higher smoking patterns," commented John Erb, chairman and chief executive officer of CHF Solutions. "We are pleased to continue expanding our market reach in Western Europe, and specifically in Italy with our new distributor partner, TRX Italy, a premier cardiovascular sales and distribution company to provide physicians in Italy with a clinically proven therapy for the treatment of fluid overload when diuretics are no longer effective."

Terms of the agreement were not disclosed.

About CHF Solutions

CHF Solutions, Inc. (NASDAQ:CHFS) is a medical device company focused on commercializing the Aquadex FlexFlow system for Aquapheresis® therapy. The Aquadex FlexFlow system is indicated for temporary (up to eight hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy, and extended (longer than 8 hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy and require hospitalization. All treatments must be administered by a healthcare provider, under physician prescription, both of whom having received training in extracorporeal therapies. The company's mission is to predict, measure, and control patient fluid balance through science, collaboration, and innovative medical technology. CHF Solutions is a Delaware corporation headquartered in Minneapolis, Minnesota with wholly owned subsidiaries in Australia and Ireland. The company has been listed on the NASDAQ Capital Market since February 2012.
