

CHF Solutions, Inc. Hires Additional Field Sales Representatives and Expands Territories

June 20, 2018

EDEN PRAIRIE, Minn., June 20, 2018 (GLOBE NEWSWIRE) -- CHF Solutions, Inc. (NASDAQ:CHFS), today announces it has expanded its commercial sales team with the addition of three seasoned field sales representatives, growing its sales outreach from 10 to 13 territories. The new sales representatives joined the company with extensive medical device experience and bring a strong track record of success in market expansion and sales execution.

"We are excited to welcome these experienced sales individuals to our new and growing commercial organization. We continue to execute on our strategic plan to expand our exposure in the market. The addition of new employees to our sales organization and the expansion of U.S. territories allow us to continue to increase awareness and grow utilization of the Aquadex FlexFlow system," said John Erb, chairman and CEO of CHF Solutions.

About CHF Solutions

CHF Solutions, Inc. (NASDAQ:CHFS) is a medical device company focused on commercializing the Aquadex FlexFlow system for Aquapheresis® therapy. The Aquadex FlexFlow system is indicated for temporary (up to eight hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy, and extended (longer than 8 hours) ultrafiltration treatment of patients with fluid overload who have failed diuretic therapy and require hospitalization. All treatments must be administered by a healthcare provider, under physician prescription, both of whom having received training in extracorporeal therapies. The company's mission is to predict, measure, and control patient fluid balance through science, collaboration, and innovative medical technology. CHF Solutions is a Delaware corporation headquartered in Minneapolis, Minnesota with wholly owned subsidiaries in Australia and Ireland. The company has been listed on the NASDAQ Capital Market since February 2012.

Forward-Looking Statements

Certain statements in this release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including without limitation, the statement regarding the field clinical team enhancing sales operations by working with doctors and nurses to optimize the use of the company's FlexFlow device. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this release, including, without limitation, those risk associated with our ability to execute on our recently announced strategic realignment, the possibility that we may be unable to raise sufficient funds necessary for our anticipated operations, our post-market clinical data collection activities, benefits of our products to patients, our expectations with respect to product development and commercialization efforts, our ability to increase market and physician acceptance of our products, potentially competitive product offerings, intellectual property protection, our ability to integrate acquired businesses, our expectations regarding anticipated synergies with and benefits from acquired businesses, and other risks and uncertainties described in our filings with the SEC. Forward-looking statements speak only as of the date when made. CHF Solutions does not assume any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
